In an emergency, when you can't speak, we can.

**Quick access to your vital medical details in an emergency,
when every second counts.**

MedicAlert provides a 24/7 worldwide membership service and an extensive range of medical ID jewellery for people with medical conditions, allergies and other requirements. All supported by our in-house medical professionals, for additional reassurance.

How MedicAlert works

24/7 Emergency Helpline

Accessible worldwide, in over 100 languages and dialects, to keep you safe any time, anywhere.

Nurse Checks

Our Registered Nurses ensure your record is clear, concise and complete, and can help you choose the best engraving for your needs.

Digital Medical Record

Holding all conditions, allergies, medications, documents and more, you can update your record as often as required.

Advocacy

Nominate one or more loved ones to help manage your record. Particularly useful for younger, older or more vulnerable individuals.

Document Storage

Store emergency care plans, implant information, advance directives, Herbert Protocols and more, all immediately available in an emergency.

"If you met me in the street you wouldn't know that there was anything different about me. That is why my MedicAlert is there: a subtle reminder that I have a serious heart condition."

Emma Parry - MedicAlert Member

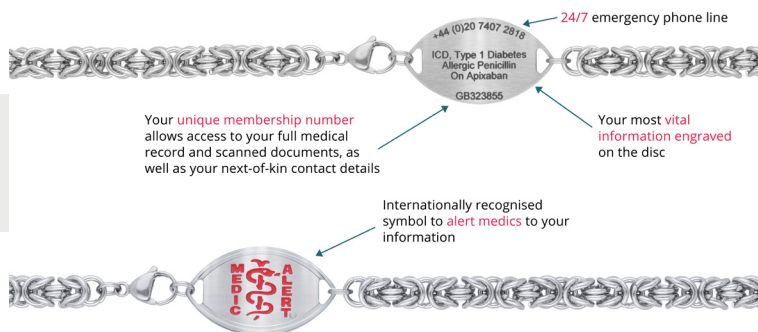

Live better with MedicAlert

We all want to pursue the things we love without worrying about our health. It's important to be able to join in socially and remain as active as possible, to support both your physical and mental health.

Enjoy your hobbies and time with loved ones, whilst being confident that your **MedicAlert ID is with you, wherever you go.**

What is a Medical ID?

As a charity, we want to support everyone living with medical conditions. Kind donations allow our Goodwill Project to provide membership to those experiencing financial difficulties. We also have a number of other projects available, made possible by generous sponsorships.
