MedicAlert

Medical ID jewellery with 24/7 emergency support

Do you have a hidden
medical condition?

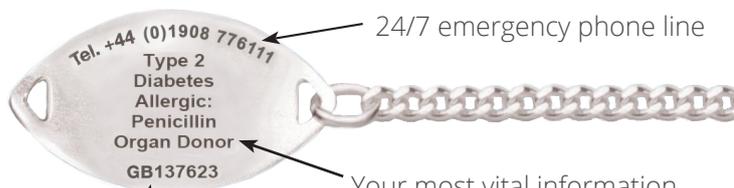

MedicAlert could save your life

MedicAlert provides the full medical ID service to give you and your loved ones peace of mind and the confidence to be active and join in.

We offer a 24/7 membership service and an extensive range of medical ID jewellery for people with medical conditions, allergies and other requirements. All supported by our in-house medical professionals, for additional reassurance.

Your most vital information will be engraved here

Your unique member number allows access to your full medical record and scanned documents, as well as next-of-kin contact details

Medical team

Our medical professionals are available to discuss your record. They review your medical information and prioritise your vital details to aid care in an emergency situation.

24/7
365 DAYS

Emergency line

Our 24/7 emergency phone line is accessible from anywhere in the world. It features a translation service covering more than 100 languages and dialects.

Jewellery range

Every piece of jewellery is handcrafted in-house, with collections to cater for all tastes. This includes stainless steel, silicone, silver and gold.

Advocacy

All members are able to nominate advocates to help them manage their record. This is particularly suitable for our younger, older and more vulnerable members.

Charity

All profits go to improving the service. Kind donations allow our Goodwill Project to provide membership to those experiencing financial difficulties. Funded by the Lions Club, our Early Start Programme supports vulnerable children under 10.
